## Section 5: Qualitative Assessment

1. Describe how HEAP funds have contributed to your Continuum of Care making progress towards local homeless goals (e.g. additional services provided, capacity created, systems building, investments made, lower waitlists, etc.)

Through motel contract rooms, HEAP funds have helped us ensure that we have rooms available to quickly house vulnerable persons experiencing homelessness. HEAP funds have also allowed us to help some persons at imminent risk of homelessness by providing Rent and deposit assistance. After the end of last reporting period, we have invested in new units and beds for homeless persons and those at risk of homelessness. We plan to continue adding more capacity to our housing stock in the future using HEAP funds.

2. Describe how HEAP funds have contributed to your Continuum of Care making progress towards local youth homelessness goals (e.g. additional services provided, capacity created, systems building, investments made, lower waitlist, etc.)

HEAP funds have helped us hire a contracting agency that is better equipped to engage with and help homeless youth population in our COC area. We now have a plan and structure in place to ensure that young people experiencing homelessness or at risk of homeless in our region can receive much needed services and support.

3. Describe the alignment between HEAP-funded activities and "Housing First" principles (as defined in Welfare and Institutions Code section 8255).

Housing First approach allows us to house people as quickly as possible and then provide any supportive services that the clients may need. HEAP funds help us put that into practice due to their flexible nature.

4. Please provide any additional feedback on the impact of HEAP funds that you would like to share with the Homeless Coordinating and Financing Council. (Optional)

HEAP funds for Capital Improvements are proving to be extremely helpful to our community by allowing us to add much needed housing units and beds for homeless persons especially in parts of our CoC where housing is scare.
