### Section 3: Outcomes

Outcome data is for project types funded by HEAP. For the tables asking for the numbers of participants in each project or project type, one participant may be counted in more than one column.

The number in the "Total" column, however, should be of the number of unduplicated individuals as opposed to the sum of the numbers in that row.

## **Section 5: Qualitative Assessment**

**1. Describe how HEAP funds have contributed to your Continuum of Care making progress towards local homeless goals (e.g. additional services provided, capacity created, systems building, investments made, lower waitlists, etc.)**

As of September 30, 2019, Glenn County has executed sub-agreements with Colusa and Trinity Counties to obligate funds for the purpose of addressing the immediate emergency needs of homeless individuals and individuals at risk of homelessness in Colusa, Glenn, and Trinity Counties. Our COC elected to use the majority of the HEAP funds for Capital Improvement projects and will use the 5% required to address the unique needs of our homeless youth population. HEAP funding has enabled our COC to have continuous, interagency conversations focused on brainstorming innovative project ideas and has fostered increased collaboration within the continuum.

**2. Describe how HEAP funds have contributed to your Continuum of Care making progress towards local youth homelessness goals (e.g. additional services provided, capacity created, systems building, investments made, lower waitlist, etc.)**

HEAP funds have provided our continuum with the opportunity to serve our homeless youth, even as other funding sources have become depleted. We have increased our communication with our McKinney Vento Program Coordinator in the county to alert her of this funding source and our ability to help youth in need. Plans have begun for expending youth set-aside funds and will be reported in the next HEAP Annual Report.

**3. Describe the alignment between HEAP-funded activities and "Housing First" principles (as defined in Welfare and Institutions Code section 8255).**

The policies of the Dos Rios (Colusa-Glenn-Trinity County) CoC align with California's Housing First code, and we provide services using the Housing First Model. Through a technical assistance grant, we were able to provide Housing First refresher trainings in our communities and conducted outreach to service providers and government officials to encourage their participation in the trainings. As we continue to carry out HEAP funded activities, we will adhere to the Housing First model. For instance, we will not make participation in services a requirement for housing, nor will the lack of sobriety give due cause for eviction. We continue to work with our landlords and housing providers to support finding housing for the homeless in our communities.

**4. Please provide any additional feedback on the impact of HEAP funds that you would like to share with the Homeless Coordinating and Financing Council. (Optional)**

No additional feedback at this time.

**ADDITIONAL COMMENTS:**

As mentioned above, HEAP Funds have not been expended as of 9/30/19; however, we have contractually obligated over 50%. All counties are in conversation with housing developers about potential housing/ capital improvement projects to meet the needs of our homeless populations. Conversations are on-going; however, it is our goal to be able to expend HEAP funds by the June 30, 2021 deadline.
