Section 5: Qualitative Assessment

1. Describe how HEAP funds have contributed to your Continuum of Care making progress towards local homeless goals (e.g. additional services provided, capacity created, systems building, investments made, lower waitlists, etc.)

During the first reporting period, Napa County obligated \$1,000,000 to two capital projects to address homelessness.

The first project is Manzanita Affordable Apartments. The County has committed \$750,000 in funds in exchange for the reservation of 6 units for individuals or families existing homelessness via the Coordinated Entry System. For a period of 55 years, the County and Continuum of Care will always have six units in the 50 unit complex occupied by individuals/families placed by the Coordinated Entry System. Manzanita family apartments is expected to break ground in March 2020.

The second project is upgrades to the South Napa Homeless Shelter owned by Napa County and operated by Abode Services. The Shelter opened in 2005 years but was not designed to serve the 69 individuals currently residing in the shelter. Additionally, a Day Use Center (known as the Hope Center) was relocated to the South Napa Shelter and serves 50+ additional adults a day with shower facilities, case management, mental health services, clinical services and other housing placement services. The center is in need of major repairs and upgrades to remain operational and serve the high volume of clients seeking services. A total of \$250,000 has been obligated to this project. A consultant has been hired to complete a needs assessment and put together bid documents for projects. It is anticipated that the first project will be the repair and upgrade of the men's bathroom.

2. Describe how HEAP funds have contributed to your Continuum of Care making progress towards local youth homelessness goals (e.g. additional services provided, capacity created, systems building, investments made, lower waitlist, etc.)

The Continuum of Care is still working on a plan to expend youth homelessness programs and services.

3. Describe the alignment between HEAP-funded activities and "Housing First" principles (as defined in Welfare and Institutions Code section 8255).

Napa County and the local Continuum of Care have implemented a system where the emergency shelter and day center are part of a low-barrier and housing focused crisis response system. Anyone experiencing a housing crisis is able to enter the shelter system or day center without pre-requisites and shelter services are focused on re-connecting individuals with housing as quickly as possible. Additionally, the County/continuum of care prioritizes housing for the community's most vulnerable. A bi-weekly meeting is held between County staff and all service providers that work on housing related activities to review the most vulnerable clients based on the VI-SPIDAT tool in order to place clients in vacant units.

4. Please provide any additional feedback on the impact of HEAP funds that you would like to share with the Homeless Coordinating and Financing Council. (Optional)

We appreciate the support and responsiveness of staff.
