## SECTION 5: QUALITATIVE ASSESSMENT

1. Describe how HEAP funds have contributed to your Continuum of Care making progress towards local homelessness goals (e.g. additional services provided, capacity created, systems building, investments made, lower waitlists, etc.)

With the use of HEAP funds, the NorCal Continuum of Care is better positioned to achieve the foundational priority of ending homelessness through our core strategies. The use of HEAP funding provides opportunity to expand capacity for housing providers across the CoC through capital improvements, expansion of services, expansion of targeted services for homeless youth or youth at risk of homelessness, and rental assistance and/or subsidies.

2. Describe how HEAP funds have contributed to your Continuum of Care making progress towards local youth homelessness goals (e.g. additional services provided, capacity created, systems building, investments made, lower waitlists, etc.)

Addressing youth homelessness, the use of HEAP funding provides opportunity to add services and increase capacity. Services include case management and supportive services, street outreach, and/or temporary and permanent housing assistance. A portion of subrecipients are contractually obligated to provide some, all, or a combination of the aforementioned services.

3. Describe the alignment between HEAP-funded activities and “Housing First” principles (as defined in [Welfare and Institutions Code section 8255](#)).

All HEAP-funded activities align with “Housing First” principles. All activities are low-barrier and align with the “Housing First” principle that all persons experiencing homelessness are housing ready.

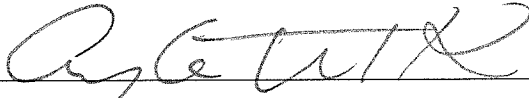

4. Please provide any additional feedback on the impact of HEAP funds that you would like to share with the Homeless Coordinating and Financing Council. (Optional)
