### Section 3: Outcomes

Outcome data is for project types funded by HEAP. For the tables asking for the numbers of participants in each project or project type, one participant may be counted in more than one column.

The number in the "Total" column, however, should be of the number of unduplicated individuals as opposed to the sum of the numbers in that row.

## **Section 5: Qualitative Assessment**

**1. Describe how HEAP funds have contributed to your Continuum of Care making progress towards local homeless goals (e.g. additional services provided, capacity created, systems building, investments made, lower waitlists, etc.)**

Central Sierra CoC Board voted to divide HEAP funds evenly across all 4 rural Counties as each County struggles with many of the same issues, including lack of capacity, housing scarcity, and an influx of homeless up from the 2017 PIT count. HEAP funding has brought awareness and educational opportunities to all County Leads and Government leadership. CoC participation and a new Governance Board structure has been encouraging and positive. Emergency shelter that sleep 30 nightly was repainted and maintenance was brought up to standard. Amador Food Bank is adding 2 new showering facilities for local homeless and sharing emergency food kits to those sleeping outside. Jackson Police Department is performing street outreach and assisting in trainings that connect with Behavior Health. Tuolumne County leveraged funds to purchase a 10 unit apartment complex with NPLH funding. Calaveras purchased a Transitional Housing property and plan to assist homeless youth, families and elderly. Mariposa erected their first emergency shelter and assists 25 people nightly with warmth and services. The connection with in our CoC has been strengthened. Our regional collaborative efforts are gaining momentum. HEAP funds moved more effeciently through our CoC due to Capacity funding provided by CESH.

**2. Describe how HEAP funds have contributed to your Continuum of Care making progress towards local youth homelessness goals (e.g. additional services provided, capacity created, systems building, investments made, lower waitlist, etc.)**

Local school districts are now active in our CoC. HEAP youth funds will be used in all areas mentioned in question 1. Calaveras originally had cleared tiny cabin projects scattered in their communities, including local youth center placement, due to local push back that project will not move forward. The Transitional Housing purchased will dedicate beds to homeless youth as does Mariposa shelter. The PSH in Tuolumne County will use Coordinated Entry to prioritize those new affordable units. Amador County Food Bank anticipates a lower wait list for showers, once renovations are complete.

**3. Describe the alignment between HEAP-funded activities and "Housing First" principles (as defined in Welfare and Institutions Code section 8255).**

CA-526 has ESG, COC and a multitude of homeless and housing funds. All housing projects practice housing first standards. Our Coordinated Entry Policies and Procedures comply with HUD Standards and all HEAP Housing projects are recorded into HMIS. The system ensures intake, access, and entry into all housing programs throughout CA-526 are following Housing First Principles, including prioritization. Current CoC Written Standards have been updated with Technical Assistance through Homebase to ensure all programs have base standards and guidelines of Service.

**4. Please provide any additional feedback on the impact of HEAP funds that you would like to share with the Homeless Coordinating and Financing Council. (Optional)**

This funding brought Planning Departments, Law Enforcement, School homeless liaisons, and County Supervisors into our CoC system of Care. The Education on current services, creating strategic plans, and moving forward in each County has been stronger than ever before. We continue to struggle with political will and much needed projects such as additional temporary low barrier shelter beds.
